

On December 12, 2019 the U.S Environmental Protection Agency ("EPA") Region 4 announced that it was holding a public hearing for its draft National Pollutant Discharge Elimination System ("NPDES") permit and associated documents for Kampachi Farms, LLC (Permit No. FLOA00001).

The public hearing will be held on January 28, 2020 from 5:30 p.m. to 9:30 p.m. at Mote Marine Laboratory & Aquarium's WAVE Center, 1600 Ken Thompson Parkway, Sarasota, Florida 34236.

All persons interested in this draft permit are invited to attend the public hearing. If you are interested in attending the hearing, EPA encourages you to pre-register at least 72 hours before the hearing. Pre-registering for the hearing will allow EPA to improve meeting planning and maximize opportunities for interested parties to provide oral comments. You may register to speak at the hearing when you register online. You may also register to speak when you arrive at the hearing. Pre-registration can be done online at the following website: [HYPERLINK "<https://projects.erg.com/conferences/npdes/register-publichearing.html>"].

If you need a reasonable accommodation for a disability, EPA encourages you to pre-register for the event at the link above and to notify us when you register. You may also request accommodation by emailing R4NPDES.Kampachi@epa.gov. Please provide at least one-week advance notice prior to the public hearing date for reasonable accommodation requests.
